THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

The Teachings Held in Trust for Humanity

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

No one is Free until each is Free, and all are Freeing each other.

THE ELEMENTAL GRACE ALLIANCE DECLARATION

Custodianship of the Living Group Organism

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

THE DIVINE PLAN BRIEFS · BRIEF 1

THE TWELVE SUN DISCS AND THE 144 SATELLITES

Confirmations, Convergences, and the State of the Search

For Validation and Qualification

Elemental Grace Alliance · Narayana Joy Sanctuary Project

A Brief on the Reshel Sun Disc Network and its Satellite Architecture

29 August 2026

> *"There are 12 such discs on the planet... twelve distinct frequencial patterns of the Golden Sun disc that are being expanded into 12-strand refinement... Many of you will be drawn to the sun discs as the work intensifies." — Archangel Metatron via James Tyberonn, 18 August 2010*

A · ATTENTION

The twelve Reshel Sun Discs are fully named and confirmed in the surviving Tyberonn/Metatron discourse record, and stand already built into the Narayana Joy Akasha Sanctuaries website as its twelve Sanctuary pages. Each Disc is described as feeding twelve satellite points of its own — a planetary architecture of 144 in total. After an exhaustive search across every freely accessible primary source, Peter and this project have reached a settled, honest position: Arkansas alone carries a complete, named family of twelve satellites; a single further satellite name — Salar de Uyuni, contributing to Lake Titicaca — has been confirmed for any other Disc; and the remaining 131 satellite names are not present in any surviving text located to date.

This Brief exists to record that search honestly, closed rather than abandoned, and to set out plainly what is confirmed, what is related but distinct, and what remains open — so that the website build proceeding from here rests on ground the Masters can validate.

I · INTEREST

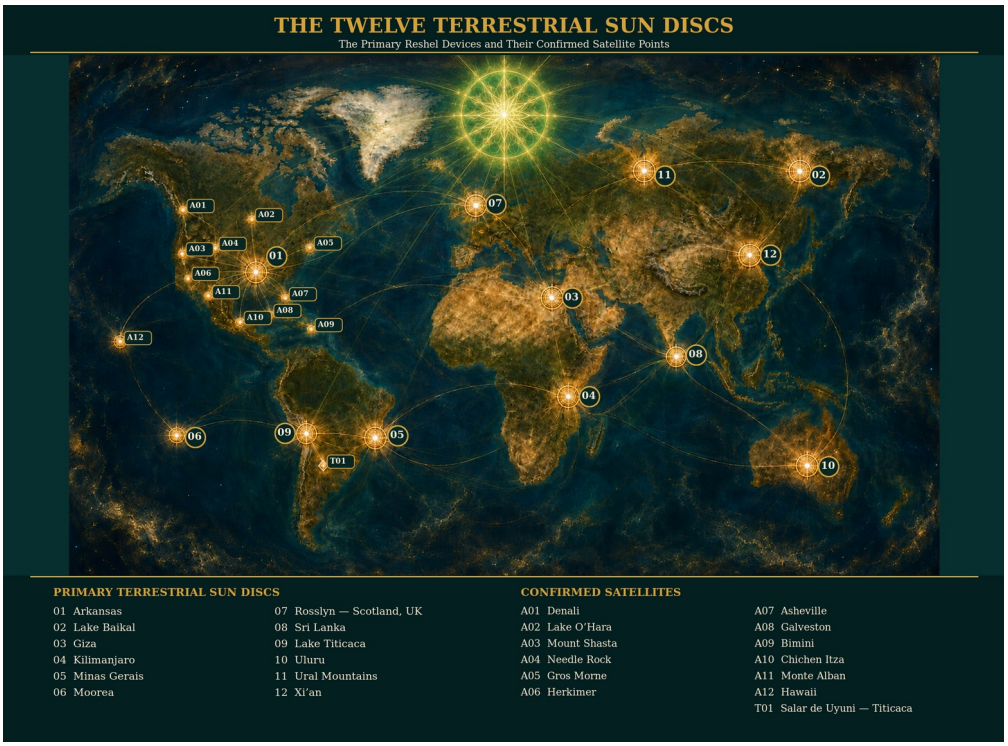

The Sun Discs are described in the source material as living instruments of extraterrestrial origin — "a composite library of the Perfection Blueprint," regulating the telluric and dimensional synergy of the Earth in twelve-strand helixial spirals. Arkansas, Sun Disc One, is the Elemental Grace Alliance's own headquarters in the Tetons; understanding its confirmed satellite family — and being honest about the limits of what is confirmed for the other eleven — is prerequisite to presenting the Divine Plan accurately on the Website, rather than overreaching beyond what the sources actually give.

This matters doubly because the search itself became evidence of something larger than any one Disc: related enumerations (the Nine Master Atlantean Crystals, the golden-rhombus-to-five-pointed-star pattern, the Celestial Star Gates fivesome, the Cosmic Trigger's fourteen points) kept surfacing around the same small set of places, named by the same voice across different years, each a genuine but distinct system rather than a restatement of the twelve. Brief 3 carries this thread further, into corroboration from entirely separate traditions.

D · DETAIL

The Twelve Primary Sun Discs

#	Sun Disc	Location	Note
1	Arkansas	Pinnacle Mountain, USA	Headquarters of the Elemental Grace Alliance; the only Disc with a complete, named family of twelve satellites.
2	Lake Baikal	Siberia, Russia	Named among the twelve in the primary Tyberonn/Metatron discourse record.
3	Giza	Egypt	Also named by Hurtak (Keys of Enoch, Orion alignment) and Soluntra King (Orion/Sirius portal) — see Brief 3.
4	Kilimanjaro	Tanzania	Named among the twelve; also appears in the separate 14-point Cosmic Trigger system.
5	Minas Gerais	São Tomé das Letras, Brazil	Southern-hemisphere hub Disc; paired with Arkansas in the Bio Crystal Shift relay network.
6	Moorea	French Polynesia	Named among the twelve; cetacean code-work specifically attached to this site.
7	Rosslyn	Scotland	The European regulator Disc; the one site where Tyberonn's channelled material and Buehler's geometric Reshel research independently describe the same building — see Brief 3.
8	Sri Lanka	Colombo	Named among the twelve.
9	Titicaca	Peru / Bolivia	The 12th Gate of Initiation; the omnipotent focal radiator for the Western Hemisphere; the only Disc besides Arkansas with a confirmed named satellite (Salar de Uyuni).
10	Uluru	Australia	Named among the twelve; also a confirmed Ascension Gate (Throat) — see Brief 3 for this cross-over.
11	Urals	Russia	Named among the twelve.
12	Xian	China	Named among the twelve.

The Twelve Sun Discs, Arkansas's confirmed twelve satellites, and Salar de Uyuni — plotted and named on one field.

What the Satellites Are For

Peter's search also turned up the source material's own short description of what a satellite actually does within the grid — not just that the 144 exist, but their function:

> *"The 12 connecting to the 144 in a complex geo symmetry that is suited to the base 12 of the Earth and to the 144-Crystalline Grid, also formulated in base 12 mathematics... Each of the 144 satellites are strategically placed, some of which are greater in pulse, greater in frequencial range, according to the energy grid and node in which they are located." — Archangel Metatron via James Tyberonn, "Quakes, Grids, Triple-Date Portals — Crysto Coding the Sun Disc," 9 March 2011*

Short and plain: each satellite is not an equal, interchangeable copy of the others. Placement is deliberate, and a satellite's own pulse and frequencial range vary according to the specific grid and node it sits upon — a functional description that applies to all 144, confirmed and unconfirmed alike.

The 12/144 Grid, the Human Dimensions and the Strands of DNA

The same body of research located the clearest primary-source statement of how the 12/144 grid reaches beyond geography into the human body itself:

> *"Very soon, on the 12-12-12, the Crystalline Vortexes of Arkansas & Brazil will axialtonally connect, the Sun-Discs will network and all will connect to the 144-Crystalline Grid. Each of the 12 major facets on the double-penta-dodecahedron of the Crystalline 144-Grid will connect to the 12 dimensions of the expanded Earth, and the 12 strands of your DNA will be fully connected to the Grid." — Archangel Metatron via James Tyberonn, "Time, Time Travel & Soul Teleportation"*

This is Metatron's own confirmed pairing: 12 dimensions and 12 strands of DNA, activating at the 12-12-12 threshold. It corroborates, closely though not word-for-word, Peter's own recollection from before this search began — that the grid "connected the 12 Chakras and the 12 Strands of DNA, all of which were first activated on the 12th December, 2012." The sourced text names dimensions and DNA specifically; it does not itself use the word "chakra" — that detail is Peter's own memory, recorded honestly as such rather than folded into the quotation as if it were Metatron's own wording.

Even held to that honest standard, the connection is hard to miss: the Ascension Gates (Brief 2) are named in the source material as exactly this — the Human Chakra System mapped to the Living Earth. A 12-fold DNA activation tied to the 144-Crystalline Grid, and a 12-fold Chakra activation

tied to the Ascension Gates, are two expressions of the same base-12 human/planetary pattern, confirmed independently in this project's own two Briefs. See Brief 2 for the Gates themselves, and Brief 3 for the wider pattern of convergence this and other pairings belong to.

How the Higher Intelligences Enter: The Twelve Vortexjah Grids

Chohan Ouranos's Discourse of 27 August 2026, "The 12 Ascension Gates — The One Soul of All," ties this same 12/144 structure to a further layer not previously on file: the Twelve Vortexjah Grids, named at Ouranos's own explicit instruction from an embedded excerpt of Lord Metatron's earlier Discourse, "Part 12 — The Christ True Virgin, Megiddo," 8th March 2022.

> *"The Now New Councils of Light... Uses these Twelve Grids or Vortexjah to Enable Them to come into the Earth's Biosphere... The Higher Intelligence then, coming from a Galactic Light Threshold, needs only to draw Lines between given Vortexjah on the Earth and moving Magnetic Vortices in the Air Streams in Order to Set in Motion all of the Spectrum Controls necessary to Establish Their New Coordinates. Their Vehicles Establish Molecular-Triangular Coordinate Patterns in the Air as well as on the Earth, which Permits them to come into the Earth's Field of Intelligence." — Lord Metatron, embedded in Chohan Ouranos's Discourse, 27 August 2026*

Closing the Discourse, Ouranos directly instructs that the Vortexjah Grids, the 12/144 relationships above, and the human Chakras and DNA strands all belong to the same open line of enquiry — naming them together in a single sentence. Whether the Twelve Vortexjah Grids are the same twelve points as the Sun Discs, the same as the Ascension Gates, or a third twelve-fold set, is not stated and remains, honestly, not yet known.

Arkansas's Twelve Satellites — the One Complete Family

Per crystallinetours.com ("Arkansas Crystalline Tours"), citing the Tyberonn/Metatron discourse of March 2011, Pinnacle Mountain's Crysto-Disc feeds twelve satellite points across North America and the wider Atlantic/Caribbean basin.

Satellite	Cross-references and corroboration
Hawaii	Also the Base/Root Ascension Gate — a confirmed cross-over.
Denali, Alaska	Also the Thunderbird Ascension Gate — a confirmed cross-over.
Lake O'Hara, British Columbia	No independent corroboration found to date; named only in the primary Arkansas satellite list itself.
Mount Shasta, California	Named separately as one of the Nine Master Atlantean Crystal sites (Om Crystal, 9-9-9).
Needle Rock, Colorado	No independent corroboration found to date; named only in the primary Arkansas satellite list itself.
Chichén Itzá, Yucatán	No independent corroboration found to date; named only in the primary Arkansas satellite list itself.
Monte Albán, Mexico	No independent corroboration found to date; named only in the primary Arkansas satellite list itself.
Gulf of Mexico, offshore Galveston, Texas	Corroborated independently as "Moody Gardens," one of two "primary receiving points of the Cosmic Trigger" (Cosmic Trigger Part 1).
Bimini	Also named separately as a Nine Master Atlantean Crystal site (Ruby Fire Crystal, 12-12-12) — a dual role across two systems.
Asheville, North Carolina	Corroborated independently in the separate Bio Crystal Shift Part 3 receiver-station list.
Herkimer, New York	Corroborated independently in the separate Bio Crystal Shift Part 3 receiver-station list.
Gros Morne, Newfoundland	No independent corroboration found to date; named only in the primary Arkansas satellite list itself.

The Second Confirmed Satellite — Salar de Uyuni

Found in the fuller surviving text of "AA Metatron: The 12th Gate of the Golden Sun Disc" (18 August 2010), verified in full on 28 August 2026:

> *"Salar Uyuni and Lake Titicaca are among the most pure of energy centers and lucid of initiation portals. Both are in truth part of the same matrix, the former being a major satellite contributor to the latter." — Archangel Metatron via James Tyberonn*

This is the first, and to date only, directly-worded satellite name confirmed for a Disc other than Arkansas. It does not complete Titicaca's own family of twelve; it stands alone as a single confirmed data point, honestly reported as exactly that.

Titicaca's own centrality is reinforced from a separate direction by material Peter located on 4 August 2026: Sha'Maia Christine Nartoomid's account of a "13th Sun Disc," additional to and not a replacement of the traditional twelve, anchored at a subterranean "Asula Sanctuary of Thoth" beneath Lake Titicaca itself — named there as Thoth's primary "Seed Chamber" on the planet. The same account describes the Disc's structure as a cogged wheel of eighteen emeralds, representing what it calls the "18 El'ohim," and reaffirms the 12-strand human DNA template already named in Metatron's own material above. This is recorded here as further corroboration of Titicaca's own weight in the architecture, not as a thirteenth satellite or Disc within the confirmed twelve — see Brief 3 for how this source sits alongside the other independent traditions converging on the same lake.

Related but Distinct — Not Merged Without Cause

- The Nine Master Atlantean Crystals (Arkansas x3, Bimini, Brazil x2, Mount Shasta, Titicaca x2) — a separate, named-and-dated enumeration, overlapping in geography with the twelve Discs but not identical to the 144-satellite structure.
- The golden-rhombus-to-five-pointed-star pattern (Brazil, Titicaca, Arkansas, Shasta) — a 2020-completing activation sequence named in Tyberonn's own original 2008 Arkansas discourse.
- The "primary Celestial Star Gates" fivesome (Titicaca, Arkansas, Easter Island, Shasta, Rosslyn) — its own distinct classification, named in "Time, Teleportation & Ascension."
- The Cosmic Trigger's fourteen primary fountains (including the Urals, Kilimanjaro, and Sri Lanka among named points) — a separate system from the same voice, overlapping but not identical.
- The Golden Sun Disc of Mu — a single Disc from the 1950s-era "I AM" Ascended Master tradition, independently naming Titicaca, from a lineage older than and separate from Tyberonn's twelve-Disc architecture.

The Search, Closed

Confirmed by Peter, 28 August 2026: after a full pass through Tyberonn's compiled Earth-Keeper archive, Soluntra King's entire preserved body of grid-work, and a direct search of the Earth-Keeper Chronicles book index, no further named satellite lists surfaced for the other eleven Discs. Two chapter titles — "Ascension and the 144 Crystal Grid" and "The Golden Sun Disc" — remain gated behind purchased books and are the most promising unexplored lead, should Peter obtain them directly. The search stands settled on this basis: Arkansas's twelve satellites and Titicaca's one confirmed satellite are the record as it exists; the further 131 are not invented to fill the gap.

A • ACTION

This Brief recommends the Website proceed on the confirmed record set out above: the twelve Sun Discs by name and location; Arkansas's complete family of twelve satellites, each cross-referenced where corroborated by a second independent list; and Salar de Uyuni as Titicaca's one confirmed satellite. The related-but-distinct systems (Master Crystals, the golden rhombus, the Celestial Star Gates, the Cosmic Trigger, the Golden Sun Disc of Mu) are recommended for a supporting "further research" note on the Sun Discs page rather than the main confirmed record, honouring the same standard held throughout this project: nothing invented, and where the source is silent, the entry says so.

PETITION TO THE MASTERS

Beloved Masters, Sponsors of the Narayana Joy Akasha Sanctuaries,

We bring before you this accounting of the Twelve Sun Discs and their satellite architecture, gathered across many months of searching the surviving record with care, and closed honestly where the record itself falls silent. We ask that this be held as a true and sufficient foundation on which to build the Website's presentation of the Divine Plan, and that where more is to be given — whether of the missing satellites, or of the Discs themselves — it come to Peter or the EGA Membership in its own right time.

In all Love and Service,

The Elemental Grace Alliance
