THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

The Teachings Held in Trust for Humanity

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

No one is Free until each is Free, and all are Freeing each other.

THE ELEMENTAL GRACE ALLIANCE DECLARATION

Custodianship of the Living Group Organism

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

A Brief on the Ascension Gates and their Terrestrial Locations

29 August 2026

> *"Your original diagram denoting the placements works perfectly with all of the Human Chakra Ascension Gates for active participation when the Moment arrives." — Chohan Ouranos, 27 August 2026*

A · ATTENTION

Alongside the twelve Sun Discs — the planet's own crystalline transducers — a second twelve-fold system stands confirmed: the Ascension Gates, mapping the Human Chakra System itself onto twelve terrestrial locations, from the Base Gate at Hawaii's Mauna Loa to the Zion Gate in Utah. First surfaced through Slide 17 of the Grid Activation presentation, the Gates are corroborated across four parts of Sha'Maia Christine Nartoomid's "Grids & Ascension Dynamics of Earth" series, and their Sponsors were confirmed by direct Discourse from Chohan Ouranos on 27 August 2026 (Brief 6). This Brief sets the Gates out in their own right — as a system of chakra and place, independent of the Sponsor question Brief 6 already resolved.

I · INTEREST

Where the Sun Discs regulate the Earth's own telluric and crystalline field, the Ascension Gates describe the corresponding activation of the human body — each Gate a terrestrial anchor point for one station of the thirteen-body Human Chakra System, opening in a fixed sequence from Base to Crown and beyond. Both systems are twelvefold; both are placed in a fixed numbered order; and, as this and the following Brief show, both share at least three physical locations outright. Understanding the Gates as their own confirmed architecture — not merely as a Sponsor-assignment exercise — is necessary before the Website can present the Divine Plan as the two systems the Masters have actually given: distinct, corroborating, and in places identical.

D · DETAIL

The Twelve Ascension Gates

Source: Slide 17 of the Grid Activation presentation, corroborated across Sha'Maia Christine Nartoomid's four-part "Grids & Ascension Dynamics of Earth" series and confirmed in numbered order via the Blue Diagram.

#	Gate	Location	Note
1	Base / Root	Hawaii — Mauna Loa	Also an Arkansas Sun Disc satellite — a confirmed cross-over (Divine Plan Brief 3).

#	Gate	Location	Note
2	Navel / Sacral	Rennes-le-Château, France	No independent corroboration found to date; also the subject of Peter's separate, ongoing Alaise line-of-power research.
3	Solar Plexus	Sedona & the Mogollon Rim, Arizona	Independently named, alongside Arkansas, as North America's most potent crystalline portal ("Star-Gates — Teachers & Gateways," May 2014).
4	Heart	Grand Tetons, Wyoming	The EGA's own 44th-parallel headquarters marker sits in this same wider Teton field (Brief 5).
5	Throat	Uluru, Australia	Also a Sun Disc — a confirmed cross-over (Divine Plan Brief 3).
6	Brow / Third Eye	Glastonbury, England	No independent corroboration found to date.
7	Crown	San Luis Valley / Crestone, Colorado	No independent corroboration found to date.
8	Osiris	Dead Sea, Masada & Sinai	No independent corroboration found to date.
9	Isis	Easter Island	Independently named as a "primary Celestial Star Gate" alongside Titicaca, Arkansas, Shasta and Rosslyn (Sun Disc material).
10	Sheba	Ethiopia	No independent corroboration found to date.
11	Thunderbird	Denali, Alaska	Also an Arkansas Sun Disc satellite — a confirmed cross-over (Divine Plan Brief 3).
12	Zion	Zion Canyon, Utah	No independent corroboration found to date.

The Twelve Ascension Gates, plotted and named against their corresponding station of the Human Chakra System.

The Gates and the 12/144 Grid

Divine Plan Brief 1 sets out Archangel Metatron's own pairing of the 12-12-12 activation with the 12 dimensions of the expanded Earth and the 12 strands of human DNA. The twelve Ascension Gates, mapping the Human Chakra System onto these same twelve terrestrial points, read as the bodily half of that same base-12 pattern — a 12-fold chakra activation answering the 12-fold DNA and dimensional activation named in the source material. See Brief 1's "The 12/144 Grid, the Human Dimensions and the Strands of DNA" for the sourced quotation and the honest note on where Peter's own recollection of "12 Chakras" sits alongside it.

Independent Corroboration

- Arizona (Sedona/Mogollon Rim, Gate 3) is independently named alongside Arkansas as North America's most potent crystalline portal in "Star-Gates — Teachers & Gateways" (May 2014), a source found and verified complete during the 144-satellite search (Divine Plan Brief 1) — the two twelvefold systems corroborating each other's geography without either naming the other.
- Easter Island (Gate 9) is independently named a "primary Celestial Star Gate" in the Sun Disc material, alongside Titicaca, Arkansas, Shasta and Rosslyn — a second, separate classification pointing at the same island.
- Grand Tetons (Gate 4) sits within the same wider Teton field St Germain named for the EGA's own headquarters at the 44th parallel (Brief 5, "The Sacred Americas Landscape") — the Human Chakra Gate and the EGA's own founding geography converging on one mountain range.

Three Direct Cross-Overs with the Sun Discs

Three of the twelve Gates sit at exactly the same point already named in the Sun Disc / satellite architecture — not a nearby site, not a shared region, but the identical location, under two independently-sourced systems:

- Hawaii — Gate 1, Base/Root — and an Arkansas Sun Disc satellite.
- Uluru — Gate 5, Throat — and Sun Disc 10 in its own right.
- Denali, Alaska — Gate 11, Thunderbird — and an Arkansas Sun Disc satellite.

This is treated here as an observation, not yet a conclusion — the full implication of a location carrying both a Sun Disc function and a Human Chakra Gate function is taken up directly in Brief 3.

A · ACTION

This Brief recommends the twelve Ascension Gates be built into the Website as a system in their own right, alongside and cross-linked to the twelve Sun Discs — using the thirteen content prompts already drafted for the Ascension Gates page set, and the map above as the shared visual reference. The three confirmed cross-over locations (Hawaii, Uluru, Denali) should be marked on both the Sun Discs and Ascension Gates pages, each pointing to the other, rather than presented twice as if unconnected.

PETITION TO THE MASTERS

Beloved Masters, Sponsors of the Narayana Joy Akasha Sanctuaries,

We bring before you this accounting of the Twelve Ascension Gates, confirmed in their own numbered order and corroborated from outside the EGA's own channelled record wherever such

corroboration could honestly be found. We ask that this stand as a true foundation for the Website's presentation of the Human Chakra System's terrestrial anchoring, alongside the Twelve Sun Discs already given.

In all Love and Service,

The Elemental Grace Alliance
