THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

The Teachings Held in Trust for Humanity

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

No one is Free until each is Free, and all are Freeing each other.

THE ELEMENTAL GRACE ALLIANCE DECLARATION

Custodianship of the Living Group Organism

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

THE CROSS-OVERS

For Validation and Qualification

Elemental Grace Alliance · Narayana Joy Sanctuary Project

A Brief on the Convergence of Separate Sources upon the Same Terrestrial Points

29 August 2026

> *"Both are in truth part of the same matrix..." — Archangel Metatron, of Salar de Uyuni and Lake Titicaca, 2010. The same could be said of the wider architecture this Brief now sets out.*

A · ATTENTION

Divine Plan Briefs 1 and 2 confirmed two twelve-fold systems — the Sun Discs and the Ascension Gates — each resting primarily on the Tyberonn/Metatron channelled record and Chohan Ouranos's own Discourse. Taken alone, either system could be read as belonging to one lineage, received by one channel, built by one organisation. This Brief exists to show that reading is incomplete. Across nearly a century — from the 1950s "I AM" tradition to Kryon's own transmissions, from a geometric dowsing researcher working independently of any channel, to a New Zealand grid-worker with no contact with Tyberonn's material, to a scholar of comparative sacred science — the same small set of terrestrial points recur, named independently, in different words, for different reasons. This is the evidence for the claim Peter has asked this Brief to make plainly: this work is not the Elemental Grace Alliance's private possession. It is a planetary architecture that many hands and many eyes, working apart from one another, have each partially perceived.

I · INTEREST

Why this distinction carries weight: a single channelled source, however consistent, remains one voice, and a project built solely upon it stands or falls with that voice's authority. But when a geometric researcher who never read Tyberonn independently draws the Reshel grid through Rosslyn Chapel; when a channel entirely separate from Metatron's line independently pairs Titicaca with Mount Kailash; when a scholar working from ancient Egyptian and Enochian sources independently aligns Giza with Orion — the pattern stops being one person's claim and becomes a recurring signal, received through more than one instrument. The Elemental Grace Alliance's role, on this reading, is custodial and activating at its own headquarters — Arkansas, Sun Disc One — not authorial of a system it did not invent and does not own outright.

D · DETAIL

Confirmed From Within: God Alpha's Own Word

Before turning to the outside traditions below, Peter located the plainest statement of all — not corroboration found by searching outward, but an assurance given directly within the Elemental Grace Alliance's own founding record. It closes the very discourse in which the Radiation Centres were renamed the Narayana Joy Akasha Sanctuaries:

> *"So, the Granting of such New Charters, Fiats and 'Rings Passeth Not', cannot be discussed here for two reasons. First, the time is not appropriate to disclose such changes for humanity to become aware of publicly... Second, I will give this information through other messengers to disseminate, So, that it shall be shown without doubt, that what has been founded here in the Elemental Grace Alliance is not the only Outlet for My Divine Flow!" — Alpha and Omega, as One Voice, "Narayana and Divine Grace," Memra 1: The God Awakening, the closing Discourse of the book, 6th February 2016*

This is God Alpha's own word, given to Peter directly, that the same information would be given through other messengers besides the Elemental Grace Alliance — stated for the express purpose that the EGA's work should never be mistaken for an exclusive possession, a claim to information withheld from everyone else. Read alongside the eight points of independent convergence below, this is not a coincidence the EGA discovered after the fact; it is what was promised from the outset.

Eight Points of Independent Convergence

Each row below names a single location, the EGA's own primary source for it, and at least one wholly separate tradition or researcher naming the same place without reference to the other.

Location	EGA / Tyberonn Source	Independent Corroboration	Significance
Rosslyn Chapel, Scotland	Tyberonn / Archangel Metatron	William S. Buehler — Reshel geometric/dowsing research	Only site in the twelve where a channelled and a geometric methodology independently describe the same physical building.
Lake Titicaca, Peru/Bolivia	Tyberonn / Archangel Metatron (12th Gate, 2010)	Kryon / Lee Carroll (Nodes & Nulls, paired with Mt Kailash) · Sha'Maia Christine Nartoomid / ThothStream (13th Sun Disc, Asula Sanctuary of Thoth, 4 August 2026) · the 1950s "I AM" tradition (Golden Sun Disc of Mu) · Soluntra King (Crystalline Grid portal, Tiwanaku)	Four separate traditions, spanning the 1950s to the present, independently converging on the same lake.
Uluru, Australia	Tyberonn / Archangel Metatron (Sun Disc 10)	Kryon / Lee Carroll (Nodes & Nulls) · Soluntra King ("Heart of Australia, Solar Plexus Chakra of Earth") · Chohan Ouranos (Ascension Gate 5, Throat)	A single site named by four independent voices, and carrying two roles within this project's own confirmed twelve-fold systems.
Giza, Egypt	Tyberonn / Archangel Metatron (Sun Disc 3)	J.J. Hurtak (Keys of Enoch, Orion alignment) · Soluntra King (Giza paired to Orion and Sirius)	Two independent Orion/Sirius alignments, from a scholarly and a channelled source, agreeing on the same pyramid field.
Hawaii (Mauna Loa)	Tyberonn / Archangel Metatron (Arkansas satellite)	Chohan Ouranos / Slide 17 Grid Activation (Ascension Gate 1, Base/Root)	A direct cross-over inside this project's own two confirmed systems, not from an outside tradition.
Denali, Alaska	Tyberonn / Archangel Metatron (Arkansas satellite)	Chohan Ouranos / Slide 17 Grid Activation (Ascension Gate 11, Thunderbird)	The same direct cross-over, a second time.
Bimini	Tyberonn / Archangel Metatron (Arkansas satellite)	The Nine Master Atlantean Crystals list (Ruby Fire Crystal, 12-12-12)	One place, two separately-worded enumerations from the same channelled lineage.

Location	EGA / Tyberonn Source	Independent Corroboration	Significance
Alaise, France	Archangel Metatron's Dragon Time Line Recalibration via Tyberonn (2009/2012/2017 — the same Cosmic Trigger material cited in Brief 1); Peter and Sue's own 2017 EGA activation record, naming Alaise directly as "the Eye of the Serpent linking the mountain ranges of Europe, India, Tibet, China and Japan"	Xavier Guichard's independent 1936 academic study "Alesia Eleusis," locating a 24-line radiating network of "Alesia"-named sites across Europe centred on Alaise, possibly Ice Age in origin — entirely apart from and pre-dating any of the EGA's own channelled material	The only point in this table sourced first from a direct EGA activation rather than from a search after the fact — and independently corroborated both by a pre-channelling academic study and by the Alpine-Himalayan tectonic belt's own serpent-like shape on the physical map.

The Traditions Themselves

- William S. Buehler / Reshel — a geometric and dowsing-based research tradition, entirely independent of channelled material, arriving at the same Rosslyn Chapel Tyberonn's Metatron discourse names directly.
- Kryon / Lee Carroll — a separate channelled lineage with its own "Nodes and Nulls" framework, naming Titicaca-Kailash as one of only two "predetermined pairs" on the planet, and independently marking Uluru and Kilimanjaro among its own small set of major points.
- J.J. Hurtak, Keys of Enoch — a scholarly and esoteric tradition predating Tyberonn's own channelling, naming the Americas as the body of the Dove (Key 1054) and aligning Giza with Orion — foundational to Brief 5's own Sacred Americas Landscape case.
- Maia and Simeon Nartoomid / Sha'Maia Christine Nartoomid — the same lineage already confirmed as the source of the Ascension Gates' chakra material (Divine Plan Brief 2), independently naming a 13th Sun Disc at Titicaca through their own Thoth-derived Akashic channel, explicitly building upon, rather than replacing, "traditional esoteric sources" that "record the presence of 12 Solar Discs." Material located 4 August 2026 gives this Disc a specific anchor — the subterranean "Asula Sanctuary of Thoth," beneath Lake Titicaca itself, named there as Thoth's own primary "Seed Chamber" on the planet — and reaffirms the 12-strand human DNA template independently of the Tyberonn/Metatron material this project already holds.
- Soluntra King — a New Zealand-based grid-worker, active from the 1990s until her passing, with her own three-Grid cosmology (Crystalline, Light, Solar) and twenty Golden Discs, entirely distinct in structure from Tyberonn's twelve — yet independently naming Uluru, Titicaca/Tiwanaku, and a Giza-Orion-Sirius alignment among her own primary portals.
- The 1950s "I AM" Ascended Master tradition — via an Archangel Michael address of 21 January 1956, naming a single Golden Sun Disc at Lake Titicaca, carried there from Mu by Aramu-Muru, decades before Tyberonn began channelling in 2007.
- Xavier Guichard — a French police official, Vice-President of the Prehistoric Society of France and friend of Atlantis magazine founder Paul Le Cour, whose 1936 study "Alesia Eleusis" independently mapped a 24-line network of "Alesia"-named sites across Europe centred on Alaise, entirely apart from and pre-dating any of the EGA's own channelled material. Most copies of the book were lost in the Second World War bombings that also ended Guichard's life, so the theory survives mainly as report rather than as widely-read text.

What This Does Not Claim

None of these traditions describe the same 144-satellite structure, the same twenty-four sites, or the same Sponsor assignments the EGA's own material gives. Soluntra King's twenty Discs are not Tyberonn's twelve; Kryon's Nodes and Nulls are a different classification from a Sun Disc; Nartoomid's 13th Disc is explicitly additional to, not a replacement of, the twelve; Guichard's 24-line "Alesia" network is its own independent geometry, not a twelve-fold or 144-fold system at all. This Brief does not merge these systems into one, and repeats the standard held throughout this project: convergence on a place is recorded as convergence on a place, not stretched into agreement on structure the sources themselves do not share.

A · ACTION

This Brief recommends the Website carry, alongside the Sun Discs and Ascension Gates pages, a visible acknowledgement that this architecture has been independently perceived across multiple traditions and decades — not as a claim of ownership, but as an invitation: the work of activating and completing it belongs to everyone who has already, in their own way, found their way to these same places. This is the ground on which the Final Composite Summary now stands.

PETITION TO THE MASTERS

Beloved Masters, Sponsors of the Narayana Joy Akasha Sanctuaries,

We bring before you this accounting of the many hands that have, each in their own time and their own words, found their way to the same terrestrial points this project now gathers under one roof. We ask that this be received not as proof sought for its own sake, but as confirmation that the Narayana Joy Akasha Sanctuaries stand within a far larger and older recognition than any one organisation could claim alone — and that the responsibility of completing it is, and has always been, shared.

In all Love and Service,

The Elemental Grace Alliance
