THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

The Teachings Held in Trust for Humanity

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

No one is Free until each is Free, and all are Freeing each other.

THE ELEMENTAL GRACE ALLIANCE DECLARATION

Custodianship of the Living Group Organism

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

THE DIVINE PLAN BRIEFS · FINAL COMPOSITE SUMMARY

THE DIVINE PLAN CONFIRMED

Sun Discs, Satellites and Ascension Gates — A Composite Summary

For Validation and Qualification

Elemental Grace Alliance · Narayana Joy Sanctuary Project

Drawing Together Divine Plan Briefs 1, 2 and 3 into One Ground for the Website

29 August 2026

> *"So your original diagram denoting the placements works perfectly with all of the Human Chakra Ascension Gates for active participation when the Moment arrives... You shall be the Gate Keepers and the Trace Encodement Holders." — Chohan Ouranos, 27 August 2026*

A · ATTENTION

Divine Plan Briefs 1, 2 and 3 have, between them, closed a body of research that began with a single question — how many satellites does each Sun Disc carry, and where are they? — and grew into a full accounting of two confirmed twelve-fold planetary systems, their points of overlap, and the wider company of traditions that had already, independently, found their way to the same ground. This Brief draws the three together into one composite statement: what stands confirmed, what remains honestly open, and why the Website build can now proceed with confidence rather than waiting on a search that has reached its natural end for now.

I · INTEREST

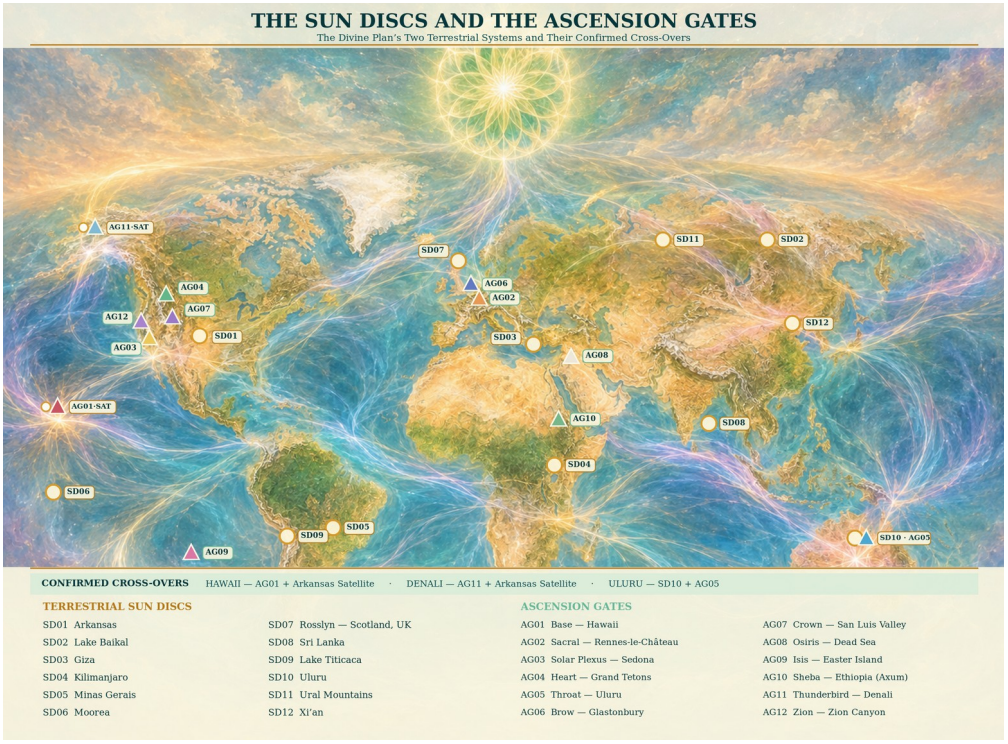

The Narayana Joy Akasha Sanctuaries exist to make a planetary architecture visible and workable — not to originate one. Brief 1 confirmed the twelve Sun Discs and the one complete satellite family (Arkansas), honestly bounded rather than padded. Brief 2 confirmed the twelve Ascension Gates as the Human Chakra System's own terrestrial anchoring, already carrying confirmed Sponsors from Brief 6. Brief 3 showed that neither system stands alone: Rosslyn, Titicaca, Uluru, Giza, Hawaii, Denali, Bimini and Alaise each carry independent witness from traditions the EGA did not write and does not control. Together, these three Briefs answer the question this whole search began with, and answer it honestly: the full 144 is not yet given, but enough is confirmed, cross-referenced and independently witnessed to build from, beginning immediately.

D · DETAIL

Readiness Summary

Element	Status	Note

Arkansas's twelve Satellites	Confirmed complete — Brief 1	The one full family; ready for its own dedicated page content.

Element	Status	Note
Titicaca's Salar de Uyuni	Confirmed, partial — Brief 1	One further satellite name; the remaining eleven of Titicaca's own twelve are not yet named in any surviving source.
The other 131 satellites	Open, search settled — Brief 1	Not invented; held as a further-research note rather than a blocking dependency.
Twelve Ascension Gates	Confirmed — Brief 2	Chakra correspondence and location fixed; thirteen content prompts already drafted for their own page set.
Twelve Gate Sponsors	Confirmed — Brief 6	Positional alignment to Peter's own Cosmic Group Merkabah diagram, confirmed by Chohan Ouranos.
Cross-over points (Hawaii, Uluru, Denali)	Confirmed — Brief 3	Ready to be cross-linked between the Sun Discs and Ascension Gates pages.
Independent corroboration	Documented — Brief 3	Eight points of convergence across seven separate traditions, ready for a supporting Website note.

The Shape of the Divine Plan, As It Now Stands

Twelve Sun Discs regulate the Earth's own crystalline and telluric field, each intended to carry twelve satellites of its own — of which Arkansas's twelve stand complete and Titicaca carries one further confirmed name. Twelve Ascension Gates anchor the corresponding activation of the Human Chakra System into the same living Earth, each already carrying a confirmed Sponsoring Master. Three locations — Hawaii, Uluru and Denali — carry both functions at once, exactly as Arkansas itself carries both a Sun Disc and a Sanctuary function under St Germain (Brief 6's "Twenty-Four, Corrected" finding). And at eight further points, entirely separate traditions — geometric, channelled, and scholarly — have already named the same ground. This is not a system awaiting invention. It is a system awaiting completion, by those already called to it.

A • ACTION

This Brief recommends the following sequence, in the order Peter has himself set: first, the NJAS pages — the community-before-land sequence already built (Sanctuaries, Property Search, Cleansing, Reshel Idra, Radiation Centres) — receive a pass to ensure they carry this now-confirmed understanding of the Divine Plan. Second, the Sun Disc pages and the new Ascension Gates page set are built out with the confirmed content of Divine Plan Briefs 1 and 2, the painterly reference artwork once generated, and the cross-over and corroboration notes from Brief 3. Third, once this is done, the Website is made ready for activation on IONOS as a contactable website for closer assessment and felt by Resonance.

Nothing in this sequence depends on the missing 131 satellites. The Website can and should proceed on the ground now confirmed.

PETITION TO THE TWELVE SPONSORING MASTERS, CHOHAN OURANOS, LORD METATRON AND THE KARMIC BOARD

Beloved Masters, Sponsors of the Narayana Joy Akasha Sanctuaries, Beloved Chohan Ouranos, Lord Metatron, and the Karmic Board,

We bring before you this composite accounting of the Sun Discs and their satellites, the Ascension Gates and their Sponsors, and the wider company of witnesses who, across nearly a century and without contact with one another, have found their way to this same architecture. We ask that this be received as sufficient ground on which to complete the Narayana Joy Akasha Sanctuaries website — not as a finished revelation, but as an honest and confirmed foundation, built without invention, ready to carry whatever further Light is given as the work continues.

In all Love and Service,

The Elemental Grace Alliance
