## THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

*The Teachings Held in Trust for Humanity*

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

*No one is Free until each is Free, and all are Freeing each other.*

## THE ELEMENTAL GRACE ALLIANCE DECLARATION

*Custodianship of the Living Group Organism*

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

THE GRID BRIEFS · BRIEF 3

THE TRANSYLVANIA CONNECTION

A Natural Sphinx in the Bucegi Mountains, and Its Claimed Direct Link to the Giza Sun Disc

For Validation and Qualification

Elemental Grace Alliance · Narayana Joy Sanctuary Project

A Brief on Radu Cinamar's Transylvania Series and Its Bearing on the Giza Sun Disc

3 September 2026

> "A prime controller for energetic poles coincident with the Great Pyramid." — William Buehler, "Path of the Dragon," October 1992, on Rennes-le-Château

## A · ATTENTION

This is the third of the Grid Briefs, alongside Star Encodements (Brief 1) and Dragon Grids (Brief 2). Where Brief 2 gathers the Metatron/Tyberonn Dragon corpus, this Brief turns to something genuinely different: a wholly separate, non-EGA tradition that arrived at strikingly similar territory by its own, unrelated route — Radu Cinamar's Transylvania Series, a seven-book account first published in 2003, describing events in and beneath the Bucegi Mountains of Romania.

Peter has clarified, 3 September 2026, why this belongs on its own footing rather than as a corroboration point buried inside Brief 2: the claimed tunnel beneath the Bucegi massif runs specifically to a chamber beneath the Great Pyramid at Giza — and Giza is not a generic Dragon Line node, it is one of the Twelve Sun Discs in its own right. That is a direct site-to-site relationship, not a general echo of the Mountain-and-Dragon pattern, and it earns this material its own Brief.

Peter has also asked that this Brief state plainly, up front, that only parts of Cinamar's seven-book series are being drawn on here — not the whole series, and not uncritically. What follows is offered as a first pass, to be pruned or expanded once a fuller review of the Transylvania Series takes place.

## I · INTEREST

Why this matters: Cinamar's account was developed with no reference to Metatron, Tyberonn, the Elemental Grace Alliance, or any of the material this project otherwise draws on. It is a separate tradition entirely, arrived at through Romanian military and intelligence channels in Cinamar's own telling, not a spiritual or channelled source at all in its origin. That two unrelated traditions — one channelled, one claiming a physical/military discovery — should each converge on Giza as a node connected to something else across a great distance is, at minimum, a notable independent echo, and is treated here in that spirit: as resonance across traditions, not as proof.

## D · DETAIL

### The Bucegi Sphinx

High in the Bucegi Mountains stands a natural rock formation known as the Bucegi Sphinx — wind- and ice-carved over millennia into a profile many visitors read as a watching, sphinx-like face, its features most pronounced when rimed in frost. It is a recognised natural landmark in its own right, photographed and named long before any of the claims below were ever made about it.

## A Claimed Chamber, and a Claimed Tunnel to Giza

Cinamar's account, set out across the seven Transylvania books and most directly in Book 3 (Mystery of Egypt: The First Tunnel), describes the discovery in 2001 of a hidden chamber beneath the Bucegi massif, and — the claim most relevant to this project — a tunnel running from that chamber to a space beneath the Great Pyramid at Giza, roughly equidistant from the Pyramid and the Egyptian Sphinx. Giza is already held on this site as a Sun Disc location in its own right; a claimed direct, physical connection between it and a second, independently-named Sphinx a continent away is a striking echo of the Mountain-to-Mountain Dragon Line pattern set out in Brief 2 — arrived at through a completely different tradition and method.

## The Pyramids as Resonators

Cinamar's Book 6 (Forgotten Genesis) sets out a separate but related cosmology: that pyramids worldwide, Giza's foremost among them, were built as DNA-altering "great resonators," constructed roughly 100,000 years ago by an alliance the book describes as including Sirian and Pleiadian civilisations — with the Giza pyramids themselves specifically dated by Cinamar's account to about 13,500 years ago. This is offered here as a data point from an independent tradition, not as a claim this project has itself verified.

## Tiamat, Sitchin, and Where the Sources Diverge

Brief 2 names Tiamat as a primordial Dragon-Mother figure already present in the Elemental Grace Alliance's own DFH Discourse. Independently of that, Zecharia Sitchin's published cosmology — checked externally, not held anywhere in Peter's own library — names a planet called Tiamat, destroyed in collision with a planet called Nibiru, its wreckage forming both the asteroid belt and, in Sitchin's account, Earth itself. Cinamar's own Book 7 (The Etheric Crystal) cites Sitchin approvingly as corroboration for this same destroyed-world tradition. This project holds these as two separate traditions in resonance around a shared name and a shared theme — a destroyed world called Tiamat, tied to Earth's own formation — and not as one settled, agreed account. It is worth noting, in the spirit of holding sources honestly, that Cinamar's own body of work is not even fully consistent with itself here: Book 6 argues elsewhere that "Nibiru" is a garbled name for a Sirian starship, not a planet at all — in direct tension with Book 7's own citation of Sitchin.

## At a Glance

| Status | What This Covers |
|---|---|
| Independently corroborated | A natural Sphinx-form landmark exists in the Bucegi Mountains, named and photographed long before Cinamar's books. The general pattern of Mountain-paired Sun Disc / Sphinx sites echoes the Grand Tetons–Yellowstone and Pinnacle Mountain–Minas Gerais pairings already held on this site. |
| Cinamar's claim alone, unverified by this project | The existence of the hidden chamber and the physical tunnel to Giza; the specific 100,000-year and 13,500-year pyramid-building dates; the Sirian/Pleiadian builder-alliance cosmology. |
| Where sources genuinely disagree | Sitchin's Tiamat-becomes-Earth mechanism versus the EGA's own Tiamat-as-Dragon-guardian account; and Cinamar's own Book 6 versus Book 7 on whether Nibiru is a planet or a starship. |

## WHAT THIS DOES NOT CLAIM

This Brief does not endorse the Transylvania Series as a whole. Per Peter's own instruction, only the parts above — the Bucegi Sphinx as a landmark, the claimed chamber-and-tunnel account in Book 3, the resonator cosmology in Book 6, and the Tiamat/Sitchin material in Book 7 — are drawn on here; the remaining four books, and any material within these three not summarised above, are outside this Brief's scope and have not been reviewed for inclusion.

The claimed physical tunnel between Bucegi and Giza is Cinamar's own account, unverified by this project independently, and is recorded as a strong candidate for a Giza satellite or connective node rather than a settled fact. This entire Brief is held as a first pass, offered for review, and Peter has been explicit that any part of it may be pruned once that fuller review of the source books takes place.

## A · ACTION

This Brief is the fuller source record for the "Transylvania Connection" Website page, already built. That page's downloads row should be updated to point to this Brief directly, rather than sharing Brief 2's PDF as it did in the first build — not yet done, pending Peter's review of this document.

## PETITION TO THE MASTERS

Beloved Guardians of the Bucegi Sphinx, Beloved Guardians of Giza, Beloved Tiamat,

We bring before you this accounting of a tunnel claimed between two Mountains and two Sphinxes, arrived at through a tradition that never knew of Metatron, Tyberonn, or this Project, and yet may have found its way to the same ground. We hold this material honestly, neither dismissed nor accepted whole, and ask that what is true within it be shown more clearly as this Website's second phase unfolds.

In all Love and Service,

The Elemental Grace Alliance
