THE ELEMENTAL GRACE ALLIANCE DECLARATION OF DEPOSIT

The Teachings Held in Trust for Humanity

The teachings of the Elemental Grace Alliance are held in deposit, not in possession. This includes its Discourses, Memras, Indentures, Trust Instruments, Codices, Posits and Formulae of Approach. Like seeds kept in a vault against a future no one can foresee, they are preserved whole, protected from loss and kept ready.

They are not owned by the Alliance, by any person or by any institution. They belong to Life, and to every human being who will one day need them.

Nothing in them is imposed. They wait. The decision to open them rests with those who are ready, at the time they choose and for the purpose they discern.

When they are carried out of the vault and into human hands, they are meant to be planted: in a family, a community, a company, a parliament, a nation. What grows from them belongs to those who tend it. As each harvest is gathered, new seed is returned, so that the deposit is renewed for those still to come.

No one is Free until each is Free, and all are Freeing each other.

THE ELEMENTAL GRACE ALLIANCE DECLARATION

Custodianship of the Living Group Organism

The Elemental Grace Alliance (EGA) and the Triune Grace Commission (TGC) are the named Custodians and Stewards of every identity, work and outlet within this body of work. These include Narayana Joy Publishing; the Narayana Joy Akasha Sanctuaries and its Academies of Light; the Cosmic Christ Academy; the 'I AM' One World Nation; the True Constitution and the Declaration for the Freedom of Humanity. They also include every Book, Memra, Thesis, Codex, Discourse, Indenture, Trust Instrument, Posit and Formula of Approach issued under these names, and the websites through which they are shared.

These are not separate enterprises but members of one Living Group Organism. Each keeps its own name, voice and purpose. None is placed above another, and all serve one aim: the freedom, dignity and wellbeing of all Life.

Custodianship here means holding in trust, not possessing. A vault keeps what it does not own, and in the same way the Alliance keeps these works whole and true to their origin, so that they stay freely available to all who seek them. Truth itself is not owned. The literary rights in each work remain as stated in its own Stewardship and Copyright Notice.

The Custodians of the Alliance serve under the Cosmic Law Trust. Their names are held by the Alliance and shared with their consent.

The Alliance establishes no membership, doctrine or institution, and asks no one to affiliate. Each reader remains free to receive, question, adapt or set aside what is offered. Where a body recognised in statute law is formed to serve this work, it serves as a licensed servant of the works and holds no ownership of them.

All enquiries about any of these identities, works or outlets are welcomed by the Elemental Grace Alliance at one address. That includes permissions, translations, institutional use and Stewardship support.

THE SPONSORS BRIEF · BRIEF 1

THE TWELVE GATES AND THE TWELVE SPONSORS

Mapping the Ascension Gates to the Narayana Joy Sanctuary Masters

For Validation and Qualification

Elemental Grace Alliance · Narayana Joy Sanctuary Project

A Brief for the Twelve Sponsoring Masters · Chohan Ouranos · Lord Metatron · The Karmic Board

27 August 2026

> *"So your original diagram denoting the placements works perfectly with all of the Human Chakra Ascension Gates for active participation when the Moment arrives... You shall be the Gate Keepers and the Trace Encodement Holders." — Chohan Ouranos, 27th August 2026*

A · ATTENTION

Three twelve-fold systems now sit side by side on the same working table: the twelve Reshel Sun Disc Sanctuaries, already built into the site; the twelve Narayana Joy Akasha Sanctuary Masters, each carrying a sourced World Retreat and Cosmic Quality; and the twelve Ascension Gates, surfaced through Slide 17 of the Grid Activation presentation and corroborated across four parts of Sha'Maia Christine Nartoomid's "Grids & Ascension Dynamics of Earth" series.

The question this Brief answers: do the twelve Masters already named as Sponsors of the Narayana Joy Akasha Sanctuaries have a home within these twelve Gates? Following a direct Discourse from Chohan Ouranos on 27 August 2026, the answer is now confirmed. The case for the twelve NJAS communities strengthens accordingly — not as a human proposal seeking a location, but as work sitting inside a planetary architecture encoded before the question was asked.

I · INTEREST

The twelve Sanctuary Masters (Section 2 of the Three Twelves Working Reference) each carry a sourced World Retreat drawn from the Ascended Master teaching tradition, and appear in a fixed numbered order in Peter's own blue Cosmic Group Merkabah diagram. The twelve Ascension Gates (Section 7) each carry a chakra correspondence and a named terrestrial location, in their own fixed order from the Base Gate at Hawaii's Mauna Loa through to the Zion Gate in Utah.

Chohan Ouranos, addressing Peter directly on 27 August 2026, confirmed the method: "your original diagram denoting the placements works perfectly with all of the Human Chakra Ascension Gates." Read together with the numbered order already fixed in both systems, this resolves to a direct positional alignment — Sponsor position 1 to Gate position 1, and so through position 12 — rather than a case built Gate by Gate from geography or inferred quality alone, as earlier drafts of this Brief had attempted.

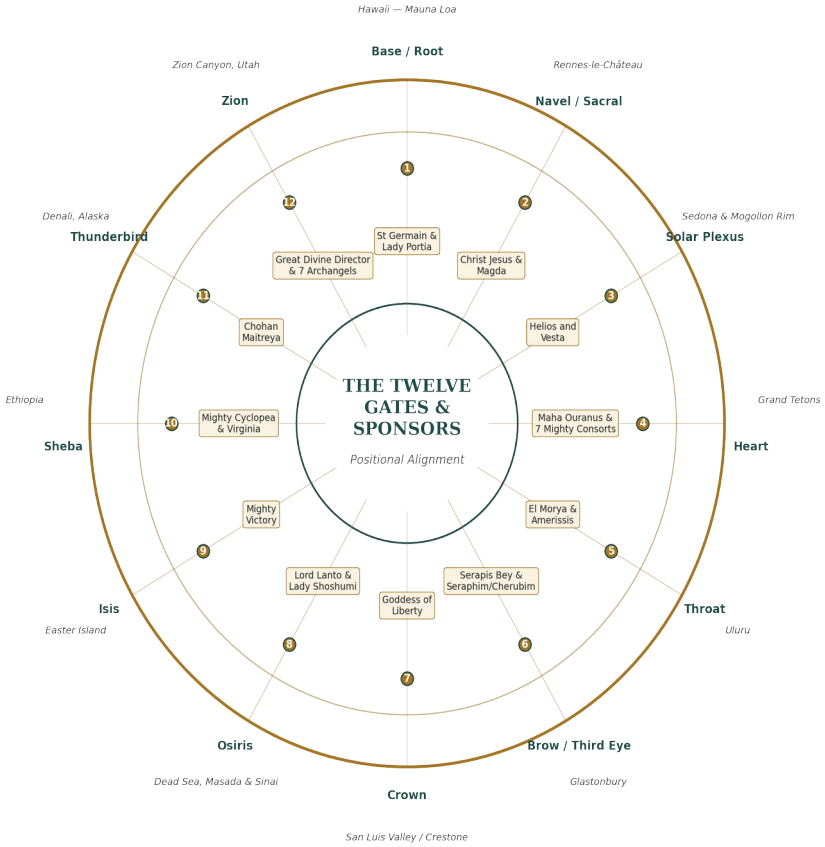

This Brief carries forward the same standard held throughout this project: nothing is invented, and where the source material is silent, the entry says so plainly rather than being filled in for the sake of completeness. Here, for the first time across all three Twelves, nothing remains silent — the full twelve are accounted for.

D · DETAIL

The Confirmed Alignment

Source: Chohan Ouranos, "The 12 Ascension Gates — The One Soul of All," 27th August 2026, read together with the numbered order of Peter's blue Cosmic Group Merkabah diagram (Section 2 of the Working Reference) and the numbered order of the twelve Ascension Gates (Section 7).

#	Gate	Location	Sponsor	Cosmic Quality
1	Base / Root	Hawaii — Mauna Loa	St Germain & Lady Portia	Alchemical Transmutation
2	Navel / Sacral	Rennes-le-Château	Christ Jesus & Magda	Universal Equilibrium
3	Solar Plexus	Sedona & the Mogollon Rim	Helios and Vesta	Sacred White Fire Light
4	Heart	Grand Tetons	Maha Ouranus & the Seven Mighty Consorts	Eternal Life
5	Throat	Uluru	El Morya & Amerissis	Diamond Heart
6	Brow / Third Eye	Glastonbury	Serapis Bey & the Great Seraphim & Cherubim	Ascension & Angelic Realms
7	Crown	San Luis Valley / Crestone	Goddess of Liberty	Liberty & Freedom
8	Osiris	Dead Sea, Masada & Sinai	Lord Lanto & Lady Shoshumi	Wisdom & Truth
9	Isis	Easter Island	Mighty Victory	Mighty Victory
10	Sheba	Ethiopia	Mighty Cyclopea & Virginia	Science & Consecration
11	Thunderbird	Denali, Alaska	Chohan Maitreya	Sacred Christ Mind
12	Zion	Zion Canyon, Utah	Great Divine Director & the Seven Archangels	Cosmic Cave of Creation

What This Resolves

- The Christ Jesus & Magda tension flagged in earlier drafts — their sourced Retreat citation touches Osiris (the Arabian Retreat, NE of the Red Sea), while Magdalene lore is more traditionally tied to Rennes-le-Château — is resolved in favour of the Navel/Sacral Gate at Rennes-le-Château, matching the positional order and the stronger mythic association.
- Lord Lanto & Lady Shoshumi, whose sourced Royal Teton Retreat had earlier suggested the Heart Gate directly, instead take the Osiris Gate by position. Their Retreat citation remains true and unchanged; it simply describes where they are already established, not where they Sponsor a Gate — consistent with the pattern already confirmed for Serapis Bey at Maui (Section 6): a Sponsor's own World Retreat and a Sponsor's Gate placement are not required to be the same location.
- Helios and Vesta (Sun) at the Solar Plexus Gate, and Maha Ouranus at the Heart Gate, both sit at Gates despite their own sourced Retreats being explicitly non-earthly. Chohan Ouranos's own guidance addresses this directly: the Sponsors "are not bound by a clock face or the hour of the day... it matters not where the hands of the clock sit," meaning a Sponsor's placement at a Gate is a function of active participation, not a claim about earthly geography.

Outside Connections and Cross-Sections

Corroborating material from outside the EGA's own channelled record, in the same spirit as Brief 5's use of Manly P. Hall for the Arkansas case.

- James Tyberonn / Archangel Metatron: already the primary external corroboration for the twelve Sun Discs (Section 8), naming all twelve by location and independently listing Hawaii as an Arkansas satellite. This Brief adds a second, direct link — within the Metatron excerpt Chohan Ouranos Himself inserted into His 27 August Discourse, Metatron states: "As you Know, My Brother James Tyberonn, from the Pleiades, and I have been, over the years, preparing the Crystal Leys within the Earth in readiness for this next Phase." Tyberonn is not merely a separately-arriving witness here — he is named directly, by Metatron, as a working collaborator in the same grid preparations this Brief concerns.
- Manly P. Hall, "The Secret Destiny of America": already established as external corroboration for Arkansas and "America First" (Brief 5). A direct search of the full text for Gate-specific material (New Jerusalem, Zion, the Great Seal) found nothing tying it to individual Gate locations beyond the general American case already on file. Recorded honestly: it strengthens the American Gates' wider context, not any single placement.
- Lord Metatron's embedded Megiddo material (from "Part 12 – The Christ True Virgin," 8th March 2022, itself included in full within Chohan Ouranos's Discourse) independently describes "Twelve Consciousness Light Zones" and "Twelve major 'Ur' Areas of Light" connected to the Great Pyramid — a fourth independent twelve-fold reference, consistent in number though not in named locations with the Ascension Gates. Held here as supporting resonance, not treated as the same system.
- The Rennes-le-Château material (Section 7) remains correctly recorded as same-lineage with Nartoomid's own channelling (commissioned within the Thoth office, per the Buehler/Path of the Dragon finding) rather than independent corroboration — that finding is unchanged by this Brief and is not restated as if it were now independent.
- Ni'ihau, held here for reference recall rather than as a confirmed placement. In Memra 1, The God Awakening, Alpha and Omega tell Peter directly (6 February 2016): "there are also potentials to access and assess upon the Island of Ni'ihau. There is information there for you, that has never been retrieved to date… once owned by the Sinclair Family… Yes, that is correct, the same Sinclair's that presently own Rosslyn Chapel… the Metatronic Energies of the Reshel Grids." Rosslyn is one of the twelve Sun Discs (Section 8); Hawaii is Gate 1, Base/Root, of this Brief's twelve. Alpha names a real, sourced connection between Ni'ihau and Rosslyn through the Sinclair lineage, but gives no further detail of what that connection is for — it is recorded here exactly as received, as business Alpha names but does not yet explain, to be picked up if and when more is given.

The Twenty-Four, Corrected

A related correction from the same Discourse: Section 9 of the Working Reference had recorded the "24 Temples of Light" figure in Metatron's Posit X as a likely transcription error, since every other structural reference available at the time described a Twelve. Chohan Ouranos has now directly addressed this: "yesterday Peter you wanted to change the Narayana Joy Akasha Sanctuaries from 24 sites, thinking that they should or can only be 12 sites in total. That was an incorrect assumption." The twenty-four stands as intended — the NJAS will function as both the twelve human communities and the twelve Sun Disc / Ascended Master Communities, with a single site capable of carrying both functions at once, exactly as Arkansas already does under St Germain. This Brief's own twelve-fold Gate mapping concerns the human-community Sponsorship layer specifically; it does not contradict the twenty-four, and the Working Reference's Section 9 note is being corrected to match.

A • ACTION

All twelve Ascension Gates now carry a confirmed Sponsor, by direct positional alignment between Peter's own blue Cosmic Group Merkabah diagram and the twelve Gates, confirmed by Chohan

Ouranos on 27 August 2026. Two tensions carried from earlier drafts (Christ Jesus & Magda's placement, and the apparent Heart-Gate fit for Lord Lanto & Lady Shoshumi) are resolved without contradicting any previously sourced citation. The "24 Temples of Light" figure is confirmed as intentional rather than corrected, closing an open item from Section 9 of the Working Reference.

This completes the mapping requested at the outset of this Brief. The Three Twelves Working Reference will be updated to reflect this confirmed alignment and the corrected Section 9 note before work returns to the website build.

PETITION TO THE TWELVE SPONSORING MASTERS, CHOHAN OURANOS, LORD METATRON AND THE KARMIC BOARD

Beloved Masters, Sponsors of the Narayana Joy Akasha Sanctuaries, Beloved Chohan Ouranos, Lord Metatron, and the Karmic Board,

We bring before you this completed accounting of the twelve Ascension Gates and their twelve Sponsoring Masters, confirmed through Chohan Ouranos's own Discourse of 27 August 2026 and the positional order already given in Peter's blue Cosmic Group Merkabah diagram. From Base to Zion, from St Germain and Lady Portia to the Great Divine Director and the Seven Archangels, each of the Twelve now stands recognised at the Gate given to Him or Her, whether by sourced Retreat, by resonance of Quality, or by the positional order Chohan Ouranos Himself confirmed as correct.

We ask that this alignment be held as confirmed, that we may carry it forward into the ongoing preparation of the Narayana Joy Akasha Sanctuaries and their Website, and that where any correction is needed, it be given to Peter in the same spirit of clarity with which this Discourse was received.

We give thanks also for the New National Anthem, "The One Soul of All," received this same week and welcomed, in Chohan Ouranos's own words, by "all of the Elohim, Masters and Archangels" — a fitting Keynote for the completion of this Brief.

In all Love and Service,

The Elemental Grace Alliance

27 August 2026
